

HLT35115 Certificate III in Dental Laboratory Assisting

Course Timetable and Duration

1. Full Time study mode: 330 hours (15 weeks including holidays/term break)

The classes are allocated 2 days per week for face to face learning sessions. Attendance is compulsory for these sessions. There would be time expected for students to spend for self study (approximately 4 to 8 hours per week). Please contact Menzie's Institute of Technology regarding the available class timetable days.

All theoretical and practical sessions are done at the Menzie's School of Dental Health campus and involve face-to-face delivery, practical demonstrations, in class activities and assessments.
